

## REMARKS

A reference to the parent applications to which domestic priority is claimed has been added to the first line of the application as required by 37 C.F.R. §1.78.

As permitted by 37 C.F.R. §1.63(d)(1)(i-iv) and MPEP §201.06(c) Applicant has filed herewith a copy of the original Declaration and a specification and drawings that do not contain any subject matter that would have been new matter in the prior application. The accompanying specification and drawings differ from the original specification and drawings for parent case Serial No. 08/600,419 in the following ways:

- 1) New claims have been substituted for the originally filed claims of application serial no. 08/600,419;
- 2) Formal drawings have been substituted for the originally filed drawings.

Applicant's new specification and drawings are provided to take advantage of the provisional rights potentially available to Applicant under 35 U.S.C. §154(d). Applicant submits that no new matter has been added.

Respectfully submitted,
